Re: Pilot integration proposal

Dear Ms. Harrington,

Thank you for the meeting last week. As agreed, we propose a four-week MVP: the API connector to your CRM, a daily Excel export and PDF reports for the finance team. The SLA for the pilot is 99.5 % availability.

Please contact our account manager James Whitmore at +44 20 7946 0321 or j.whitmore@northwind.example to schedule the kickoff.

Sincerely,

Emily Clarke

Head of Partnerships, Northwind Systems Ltd.
